Career Objectives

I'm an aspiring Back-End Developer focused on PHP and Laravel, with a basic understanding of JavaScript. I've worked on a few personal projects where I built simple web applications and worked with MySQL databases. I'm interested in writing clean and efficient code and learning how real-world systems are built. I'm looking for an opportunity where I can grow my skills, gain practical experience, and contribute to a development team.

Experience.

- ❖ Web Designer

World Academy for Research and Development

Date (21st April, 2025 – Current)

- Developed and maintained responsive web interfaces using HTML, CSS, JavaScript, and Bootstrap. Translated design concepts into clean, modern, and user-friendly web pages. Ensured cross-browser compatibility and optimized layouts for different screen sizes and devices. Improved UI consistency and usability through structured styling and reusable components. Collaborated on implementing interactive features to enhance user experience.

Skills

- Programming Language: Javascript , PHP
- Database: MySql, Firebase
- Framework: Laravel, React
- Tool: VS Code, Postman, Canva, Photoshop
- Version Control: Git, Github
- Others: Context Api, Rest Api, Stripe Payment

Projects

- ❖ Multi Author Blog(Repository Link: https://github.com/kmalaminstd/laravel_blog)

Website Link: <https://blog.kmalamin.xyz/>

- **Technologies:** Laravel, Blade
- **Description:** Developed a multi-author blog using Laravel and Blade, enabling users to create, edit, and manage content. Implemented authentication with role-based access, designed a MySQL database, and applied MVC architecture with clean, scalable backend logic.

- ❖ Event Management and Ticket Booking (Ongoing Project) (Repository Link: https://github.com/kmalaminstd/laravel_event_manage_ticket_booking)
 - **Technologies:** PHP, Laravel ,Blade, Javascript
 - **Description:** Developing an event management and ticket booking system using Laravel and Blade. Implemented core features such as event creation, admin permission, Authentication (Social Login and Email , Password), Authorization and role based access. The project is continuously evolving with ongoing feature development, improvements, and problem-solving.

Training

- ❖ Web Design & Development Training

UYLab

Date (3rd July, 2024 – 15th October , 2024)

- Engaged in comprehensive training on modern web design and development, including frontend technologies like HTML, CSS, Bootstrap, JavaScript

Education

- ❖ Secondary School Certificate (S.S.C)

Institute Name	: Dublia High School
Group	: Science
Board	: Rajshahi
Passing Year	: 2020
Result	: 4.89 (Out of 5)

- ❖ Diploma in Engineering

Institute Name	: Tangail Polytechnic Institute
Technology	: Computer
Board	: BTEB
Passing Year	: 2025
Result	: 3.67 (Out of 4)

Personal Information

Name	: K.M. AL-AMIN
Father's Name	: Md. Nader Ali Khan
Mother's Name	: Most. Aysha Khatun
Present Address	: Dublia, Ataikula, Pabna Sadar
Permanent Adress	: Vill+P.S: Dublia, Thana: Ataikula, Upazilla: Pabna Sadar, District: Pabna

Date of Birth : 09-11-2004
Nationality : Bangladeshi (By birth)
Religion : Islam
Blood Group : B+

Soft Skills:

- ❖ Effective communication in English, able to express ideas clearly.
- ❖ Self-motivated learner with a knack for quickly mastering new technologies. Adept at problem-solving and resourceful in using online tools, especially Google, to troubleshoot and resolve issues independently.
